Travel...

Be in the presence of wonder!

[www.owensborohealth.org/travelwithconnections](http://www.owensborohealth.org/travelwithconnections)

Dear Connections Traveler,

We are pleased to present to you the 2024 Travel Brochure! In 2023 we were able to come back after COVID and provide a good year of wonderful trips we were able to take. Now for 2024, we look forward to including a full slate of trips throughout the year with a little something for everyone to experience.

Our Travel Program is one of the top reasons people join Connections. Travel plays an important role in maintaining a healthy life style: physically, emotionally, and spiritually. It can provide a way to stimulate the mind, connect with a wider community, and gives the opportunity to explore new environments and meet new people which can help you stay physically active and socially engaged. Whether you want to travel to experience more of the world, spend time with loved ones, or just take a break from the everyday routine, travel is a great opportunity!

When you look through the brochure you will find information about insurance for our trips. Insurance is optional, but if you are interested in taking insurance, you must pay for the insurance at the time of your initial deposit in order to receive coverage.

A friendly reminder, that to "reserve" a spot for a trip you will need to put a deposit down within **10 days of signing up**. For any **day trips** that you see listed, full payment will be required at time of registration.

I hope you find a trip or two that inspires you to join us as we set out to see the world! We look forward to traveling with you and on behalf of Owensboro Health, we thank you for your support of Connections, where it is our goal to connect you to better health through education, socialization, fitness, and travel.

Sincerely,

The Connections Team

## **Cancellation Policy:**

Connections realizes that due to uncontrollable circumstances, there may be a time you have to cancel a tour; therefore, we offer optional cancellation insurance. In the event a cancellation becomes necessary the following policy occurs:

### **Inside 90 days **WITH** the purchase of optional cancellation insurance:**

Inside 90 days your cancellation insurance becomes effective. You will be protected against cancellation fees for unforeseen circumstances such as illness, death in the family or accidents. Under this program, you will receive a refund of all trip payments less the insurance fee once all the necessary paperwork has been submitted and approved by the carrier. The insurance is optional and is the responsibility of the traveler to purchase travel insurance. This will only be refunded if you meet the covered protections.

### **Inside 90 days **WITHOUT** cancellation insurance:**

**You will only receive money that is recoverable.** Please remember many hotels and restaurants require payments be made 60-90 days out from a trip and tickets are often purchased in advance as well. While Connections will try to recover all of your money there is no guarantee as each venue has its own cancellation policy.

# Footloose

## – at the Derby Dinner Playhouse

Wednesday, May 15, 2024

\$89 per person **Activity Level: 1**

When Ren and his mother move from Chicago to a small farming town, he is prepared for the inevitable adjustment period at his new high school. But he's not prepared for the rigorous local edicts, including a ban on dancing instituted by the local preacher, who is determined to exercise control over the town's youth. When the reverend's rebellious daughter sets her sights on Ren, her roughneck boyfriend tries to sabotage Ren's reputation, with many of the locals eager to believe the worst about the new kid. The heartfelt story that emerges pins a father longing for the son he lost against a young man aching for the father who walked out on him. To the rockin' rhythm of its Oscar and Tony-nominated Top 40 score, augmented with dynamic new songs, Footloose celebrates the wisdom of listening to young people while guiding them with a warm heart and open mind. **Buffet Lunch included. Payment due in full at time of registration.**

This is the last date the airlines will hold empty space for our group. If you have not registered by this date there is no guarantee of space. It then becomes first come first served and fees may have to be renegotiated.

### **Why are early deposits required?**

Deposits are required to reserve space on the coach or airplane. Also the uniqueness of some of the activities on a trip requires an early deposit to hold space. Many places now require groups to pay in full at least 60-90 days out from the trip.

### **Why are single rooms so much more expensive?**

Most hotels set a price for a room. The cost of this room is then divided by the number of people in that room. Persons rooming alone will bear the entire expense.

### **Can there be more than 2 people to a room?**

In most situations, accommodations will allow up to 4 people in a room. Pricing available upon request.

### **Can installment payments be made?**

Yes, except on trips under \$100 or for our day trips. Overnight trips over \$100 can be paid through monthly installments, as long as the last payment is made by the final payment date.

## Activity Level

For each trip you will find an activity level listed. Please refer below, to the activity level to understand what it involves.

### **Activity Level 1 - Light & Leisurely**

You're a leisurely traveler. You typically take it easy and discover the energy of a new place by people-watching or soaking in the atmosphere at a local café. You can climb at least one flight of stairs, board a coach, and walk unassisted at a relaxed pace for up to 60 minutes without difficulty. You can easily handle altitudes up to 5,000 feet.

### **Activity Level 2 – Moderate**

You like a balanced approach to travel. Walking two to three miles over the course of a day is no problem for you. You can partake in a two-hour leisurely walking tour, covering up to two miles (with included breaks). You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. You can climb two flights of stairs with ease. *There may be guided walking tours on a trip of this level that cover up to a few miles over and could be on uneven terrain. You can handle altitudes up to 6,000 feet.*

### **Activity Level 3 – Active**

You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

### **Activity Level 4 - Very Active**

You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late-nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.
